### Thought for the Week

*Life is a glorious opportunity, if it is used to condition us for eternity. If we fail in this, though we succeed in everything else, our life will have been a failure. There is no escape for the man who squanders his opportunity to prepare to meet God.*

*Billy Graham*

**Desserts for the BBQ  
CALLING ALL McGill BAKERS!**

You are invited to bake desserts for the BBQ on March 23. Delicious desserts are needed for the lunch and dinner meals and also for the take out order (last year we packed over 800 desserts in the take out orders). We can handle refrigerated desserts for themeals at the church. Since space is limited please contact Trena Goodnight or Linda Ramseur if you plan to bring a refrigerated dessert. Non refrigerated items are needed for the take out orders.

If possible please bring your desserts to the Journey classroom on Thursday, March 22.

Thank you for your participation.

**Food on the First  
CCM, RAIN or PLC**

Cooperative Christian Ministry needs include pork and beans, saltine crackers, peanut butter, breakfast items, powdered milk, SpaghettiOs, ravioli, canned meats and canned fruits, vegetables and 100% fruit juice.

PLC needs individually wrapped snacks, juice boxes, soft drinks or water.

R.A.I.N. needs paper products including Kleenex, toilet paper and paper towels, Clorox and cleaning products.

If you would rather give money to the church to purchase food for CCM, PLC or R.A.I.N. supplies you can do so by noting on your giving envelope and check the amount you would like to go for any of these continuous missions projects.

**It's Time for Share the Harvest!**

Our goal for this year is 15,000 pounds. We have already planted onions. We have more plants in the ground than last year although the extras are red onions. Next up are potatoes and beets. As weather and volunteers permit, we are improving our irrigation system to allow fertilizer to be applied through the drip system and to cover a few more rows.

Stay tuned for an exciting year!

Each year we receive an offering for **CBF GLOBAL MISSIONS at CHRISTMAS, during ADVENT and at EASTER, during Lent.**

Sunday, MARCH 4, we will begin receiving the Easter offering, each Sunday during Lent. Our church's goal is **\$3000.00.**

The following is from a letter received from Suzii Paynter, Executive Coordinator, CBF Global Missions.

*Dear Missions Leader,*

*Thank you so much for your church's support of the CBF Offering for Global Missions!*

*I ask you and your church to stand with us and make your commitment this year to the Offering for Global Missions. CBF is your partner as a mission-sending organization, and 100 percent of gifts to this Offering go to missions funding.*

*There are missionaries (field personnel) - many serving in some of the toughest situations imaginable around the world and right here at home - that rely on your faithful generosity. These are missionaries you pray for and support, and they are sharing the Gospel right now because of your generosity. We must have strong support for the Offering for Global Missions!*

*Thank you in advance for your gifts and offerings that help keep our missionaries in the field.*

*Grace in all corners,  
Suzii Paynter  
Executive Coordinator*

**MINISTER OF MUSIC**

I would like to sincerely thank the church for providing for our Sanctuary Bell Choir to attend the State Handbell Festival in Shelby this past weekend. It was a wonderful experience for our group! Our church had the largest number attending for the second straight year. We had eighteen people participating. The next closest group out of thirty-five choirs had fifteen attending. I was very proud of all of our ringers. Thanks to all who participated and helped with the loading and unloading. I also want to say a special thank you to Patsy Lawing for helping us with reservations, ordering music, and registering. Everything went very smoothly!

This coming Wednesday, February 28<sup>th</sup>, our Sanctuary Choir will rehearse at 7:15 p.m. This makes up for the rehearsal we missed last week due to a special bell rehearsal. All other groups will meet at the usual time. The Sanctuary Choir will also meet on March 7<sup>th</sup>, which will get us back on our regular schedule.

I look forward to seeing everyone this week!

**MINISTER OF CHILDREN  
AND YOUTH**

Many things in life are unpredictable, the weather is one of them. This weekend we were to go to West Virginia for our winter retreat, but the weather has not cooperated. Because of the early warmth we have had to cancel our trip.

BUT in its place we will be going on a Secret Adventure this Sunday afternoon.

Here are the details: wear long pants, wear socks (no anklets) and tennis shoes, bring a light jacket and \$20.

We will leave at noon after the second service and return around 5:00, stopping for a burger for lunch.

**Operation Christmas Child**

February's items are toothbrushes, toothbrush covers, and dental floss (NO toothpaste or mouthwash).

March: Hair brushes, hats, scarves, gloves or mittens.

A complete list for the year is in the lobby.

**ASSISTAND DIRECTOR OF  
CHILDREN YOUTH & MUSIC**

Our Sanctuary Handbell Choir had an amazing weekend at our annual festival. I'm so lucky to be part of such a wonderful group of people!

Our Children's Choirs have been rehearsing for our Palm Sunday service, which is March 25th. All children will participate in waving the palm branches for the second service. The Children's Choirs will collaborate with the Youth Choir in singing "Look Now, your King is Coming." We've had a lot of fun with it so far!

This coming Sunday, the Youth Handbells will not be meeting since the Youth are going on a magical adventure. We'll resume the following week.

**Delta Sigma Theta Sorority  
Health Fair at McGill Baptist  
Saturday, April 28  
10 am-1 pm**

This year Novant Health will provide free screenings with same day results and a counselor. The Health Fair will provide a valuable service to our community. Call 336-277-1880 or email [communitywellness@novanthealth.org](mailto:communitywellness@novanthealth.org)

Also there will be a class called **Stop the Bleed-Save a Life** to learn the basics of bleeding control. Civilians need basic training in Bleeding Control principles so they are able to provide immediate, frontline aid until first responders are able to take over care of an injured person.

**Advance Healthcare Directive
